Dear participants,

This is the second announcement of our CLOUDY workshop 2016; please pay attention to a few updates.

1. Visa

If you need an official invitation letter to assist you to obtain a visa to China, please send the following information 1) your full name, 2) gender, 3) date of birth, 4) nationality, 5) passport number, 6) affiliation and its address, 7) title (Prof., Dr., Mr., Ms., etc.) to Dr. Lulu Fan (llfan@sdu.edu.cn) by email in the subject of request for an invitation. We will issue an official invitation letter and send a scanned copy to you by email. If you need a hard copy, please tell us in your email and we will send it by airmail.

2. Accommodation

Due to some official reasons, the previously recommended hotel (Shandong University Academic Center) is not available. We choose another hotel (Jingjiangzhixing Hotel, 锦江之星). The hotel is about 10 minutes' walk from the venue. The rate for single and double room is 176 rmb per night, including breakfast. Please write to Dr. Lulu Fan (llfan@sdu.edu.cn) to mention which type of room you wish to book and the duration you want to stay. Please contact us if you have any other requirement.

3. List of participants

You can now find a list of participants here: <http://cloudy2016.csp.escience.cn/dct/page/65580>

4. Personal photo and one-page PDF of introductory talk

Please send us one passport-style photo which will be used to generate PDF handout. Please prepare one-page PDF of introductory talk. We will have a series of short talks at the start of the workshop, when people introduce themselves. You can find some examples in the website of previous CLOUDY workshops via <ftp://www.pa.uky.edu/pub/gary/CloudyWorkshop/15Warsaw/presentations/>

5. Travel information

There are two airports near Weihai city:

Weihai Airport (WEH) is 53 km from the university (~ 60 minutes' drive).

Yantai Airport (YNT) is 110 km from the university (~ 80-90 minutes' drive). Both airports have regular direct flights from Beijing, Shanghai and Seoul, etc. However, if possible, Weihai Airport is recommended since it is cheaper and more convenient to get to the university by public transport.

There are also two railway stations: Weihai station and Weihai North station. You can take the high-speed rail from Shanghai, Beijing, Nanjing and Hefei. For some routes, you may need transfer at Jinan Station.

Please contact us if you have any question.

We are looking forward to seeing you soon in Weihai.

On behalf of the organizing committee,

Lulu Fan and Tinggui Wang
