Dear participants,

This is the third announcement of our CLOUDY workshop 2016; please pay attention to several IMPORTANT updates.

### 1. Accommodation

The Shandong University Academic Center will re-open to public since June 1<sup>st</sup>, 2016. We recommend the center as it will provide more convenient and comfortable accommodation. However, the rate is a bit expensive. For sea-view double room, the rate is 320 rmb per night (two breakfasts included). Please fill the attached form and send back to [llfan@sdu.edu.cn](mailto:llfan@sdu.edu.cn) to mention which type of room you wish to book and the duration you want to stay, and if you wish to share the room with others. Sorry for the inconvenience.

### 2. Location

The Shandong University Academic Center is located in N.130(N)Huanhai Road, Weihai City /威海市北环海路130号. The venue is in Room 209 of Wentian Building (闻天楼), Shandong University, Weihai. The map can be found at:

<http://cloudy2016.csp.escience.cn/dct/page/65587>

<http://j.map.baidu.com/o4BxB>

You are recommended to take a taxi in the railway station or airport. If you need any help on booking a pick-up service, please contact us.

### 3. Events

As suggested by Prof. Gary Ferland, there will be a no-host opening reception on Sunday at 19:00 (location: hotel's dining room in the first floor). *RMB 60 per person will be charged.* This will be a good chance to meet and get to know each other. Please fill the attached form to inform us if you can participate in.

A welcome banquet will be offered on 21<sup>st</sup> June at 18:30 (the plan is a barbecue on a trestle bridge if the weather is good). It will be free. Please fill the attached form to confirm if you can participate in or not.

### 4. Agenda

The agenda has been provided by Prof. Gary Ferland. You can find a link here: [http://cloud9.pa.uky.edu/~gary/cloudy/CloudySummerSchool/2016\\_Shandong/agenda2016Shandong.html](http://cloud9.pa.uky.edu/~gary/cloudy/CloudySummerSchool/2016_Shandong/agenda2016Shandong.html)

5. Personal photo and one-page PDF of introductory talk

Please send a personal photo and one-page PDF of introductory talk to [llfan@sdu.edu.cn](mailto:llfan@sdu.edu.cn) if you haven't done so.

In order to do the statistic easily, a form is attached. Please help fill it and return your feedback before 10th June. Otherwise, the accommodation will not be guaranteed. Please let us know if you cannot participate in the workshop.

We are looking forward to seeing you soon at Weihai.

Best regards,

Lulu Fan & Tinggui Wang
